DECLARATION

I am willing to visit/conduct research at the Chinese Academy of Sciences through the support of the CAS President's International Fellowship Initiative (PIFI) and make the following commitments:

1. I promise that all the application materials I submitted are true, valid, complete and accurate, and will be responsible for all consequences of having provided any untrue information;
2. The information provided in the forms and other documents submitted during my application may be kept by the Chinese Academy of Sciences and used for internal data analysis processing, evaluation, etc.;
3. My work and any possible scientific research output during the implementation of the PIFI project will not conflict with any contract or contract terms that I am committed to or associated with. If there is a violation, I will be responsible for breach of contract or infringement;
4. I declare that I will inform my employer when I have received approval for the PIFI grant, and will get my employer's consent prior to my visit to China through that grant. I understand that I will be funded by the PIFI grant and undertake all consequent commitments. I will be fully responsible for all consequences arising from any untrue statement.
5. I have no criminal record in my country or outside my country. I understand that the PIFI project will be implemented under the various legal frameworks of the People's Republic of China, and I am willing to abide by the relevant laws;
6. I fully understand the requirements of applying for PIFI, and have voluntarily executed this document.

Hereby declared.
